DEAL ALMOST CLOSED

Diamond Match Company Will Have a Monopoly.

The Diamond Match Co., is getting matters in shape for the closing of the options it holds on independent companies engaged in the manufacture of matches. Says a Chicago special:

It is expected by the end of this week the deal would be closed and the Diamond Match Co. would control a number of corporations now engaged in the manufacture of matches.

The closing of these deals, if carried out on the lines now proposed, will give the Diamond Match Co. a practical monopoly in the manufacture of matches in the United States. Only the larger concerns—those which have been looked upon as competitors—will be taken in the event of the present negotiations being carried through. The Continental Match Co. of which Edwin Gould is president and practically the sole owner, will be one of the concerns which will be acquired.

No Strike Here.

Messrs. O. C. Barber and Wm. Graham, arbitrators selected to settle the wage question between the A. & C. F. R. T. Co. and employees, held a conference today, but no agreement has yet been reached. The two men will try to settle the question themselves, no third person to be selected. It is thought that an agreement will be reached soon.

Members of the local union of street car employees will hold a meeting tonight. As stated in Thursday's DEMOCRAT no invitation has been sent by the Cleveland men to the local men to join the former in the strike. It was rumored today that the local union would on its own account order a strike in sympathy with the Cleveland men. This was denied by all the men approached on the subject.

It is likely that at the meeting this evening the matter will be discussed. A. B. & C. cars run to the city limits, and from there passengers are taken into the central part of the city in carriages.

TAKEN TO NEWBURG—John Grady, was taken to the asylum at Newburg Thursday by Sheriff Kelly.

TOLEDO, June 16.—John Wagner, William Spayth and Charles Hincey, three well-known farmers, were fatally injured at Tiffin, while raising a barn. The structure fell on them and none of them can survive.

BAD DEFEAT FOR REBELS.

Lost in Killed, Wounded and Captured Over 1,000 in Fighting in Cavite Province.

WASHINGTON, June 16.—General Otis cabled the following:
Adjutant General, Washington:
Success Lawton's troops Cavite province, greater than reported yesterday. Enemy numbering over 4,000, lost in killed, wounded and captured more than one-third, remainder much scattered. Have retreated south to Imus, their arsenal of five pieces of artillery, three captured. Navy aided greatly on shore bay, landing forces occasionally. Inhabitants in that country rejoice at deliverance and welcome with enthusiastic demonstrations arrival of our troops.

The war department bulletined the following:

MANILA, June 15.
Adjutant General, Washington:
President Filipino friendly to Americans assassinated at Cebu. Inhabitants that locality urgently requested American protection in stronger force. Have sent battalion Tennessee and two guns from Iloilo, which insures peace. Hughes now in charge of affairs in that section.

OTIS ENLISTING MEN.
Three Regiments of Volunteers Being Organized—Most Prefer to Come Home.

WASHINGTON, June 16.—Pursuing a policy determined upon some months ago, General Otis is organizing three regiments in the Philippines composed of officers and men of the state volunteers who desire to remain in the service. The army bill authorized this kind of enlistment in the Philippines. If the full complement cannot be made up from those discharged volunteers in the Philippines the regiments will be organized and officered in skeleton form until recruits can be sent from the United States to fill them.

General Otis and the volunteer officers in the Philippines have been consulting to see how many men will enlist. The number has not been very large, as there seems to be a desire on the part of the volunteers to return to the United States with their organizations. These three proposed regiments with three regiments of regulars to sail from San Francisco on the 23d and 24th and those under orders for Manila, will give General Otis 35,000 fighting men.

ZANESVILLE

Gets the Democratic State Convention.

To be Held Late In August—Doc. Norton Temporary Chairman.

Columbus, June 16.—(Special)—The Democratic State Central Committee, at its meeting here today, decided to hold the State convention at Zanesville. This selection was made by a vote of 11 to 8. The remaining two votes of the committee went to Sandusky. The date has not yet been decided upon, but it will be late in August.

Congressman J. A. Norton of Tiffin, will be selected temporary chairman.

The selection of Zanesville as the convention city is in one sense a victory for the friends of Hon. J. A. Rice of Canton, a candidate for gubernatorial honors, as they were opposed to Columbus on account of the strength holding the convention there would have given Col. Kilbourne's boom.

He charges her with gross neglect of duty and willful absence for more than three years past. They were married in Lockport, N.Y., in September, 1885, and have a daughter, Mrs. John Williams of Chicago. Mrs. Wheeler is now a resident of Summit county, Ohio.
